DESIGNERS AT HOME

WHEN YOU'RE A DESIGNER, CREATING THE PERFECT SPACE FOR YOURSELF CAN BE A CHALLENGE AS WELL AS A JOY. EXPERIMENTING WITH SPACE, STYLE AND COLOR IS A GREAT WAY TO EXERCISE YOUR CREATIVE MUSCLES, WHETHER YOU OPT FOR A LOFT IN THE CITY OR A HOUSE IN THE COUNTRY. FOR ROBERT COUTURIER, MARK ZEFF AND EVAN GALEN, THREE TALENTED PROFESSIONALS WHO FIND INSPIRATION AROUND EVERY CORNER, IT IS A PERSONAL AND NEVER-ENDING JOURNEY.

LOFT WITH AN UPTOWN FEEL
A collection of pieces from 1930's and 1940's France infuse the SoHo residence of designer Robert Couturier with vivid color and pattern to create a "contemporary international blend."

'Take the designing, not yourself, seriously.'—Robert Couturier
